

Student leadership is an experience, which is highly valued by the whole school community. There is a defined school process for the election and selection of the SLC the House captains and Peer Mediators.

Our Student Leadership Program:

Provides opportunities for the development of student leadership skills
Encourages school leaders to seek student voice and choice and liaise with school leadership
Provides the model for leadership skills to inspire other students to take this path in the future
Facilitate social and academic activities for students, including fundraising
Enable school leaders to apply their leadership skills in real life contexts

School Leaders

School Leaders model the school values.

Demonstrate a high level of communication and social skills.

Take pride in the school and show respect to all school and community members.

Implement their roles with a sense of maturity and responsibility.
Have a growth mindset and believe they can learn, and build their knowledge and skills, through effort.

Represent their school and its students as confident members of a student leadership team

Generate meaningful discussions on behalf of those students

Want to learn about themselves, and contribute to the community and the world around them.
